Do you know someone who would benefit from this information? Forward this e-mail on to your friends, co-workers and colleagues!

PCM is a non-profit organization made up of member companies in the construction industry, construction product manufacturers and local distributors. Our purpose is to educate the building community in the new products and services and improve the quality of our services. Additionally, we can provide AIA certified seminars for architectural continuing education credits. Our Products Showcases are informal, no-pressure and informational events.
